

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Sale of Scrap Wire and Metal During 2001

MEETING DATE: January 17, 2001

PREPARED BY: Finance Director

RECOMMENDED ACTION: That the City Council authorize the sale of scrap wire and metal at periodic intervals during the calendar year 2001.

BACKGROUND INFORMATION: During maintenance and installation operations the City utility departments generate quantities of scrap wire and metal. Periodically, the City will sell such quantities to scrap metal dealers on a highest-bid basis.

It is projected that the City will hold sale bids for scrap metal at least four times during 2001, in February, May, August, and November. Therefore, it is staff's recommendation that the City Council authorize the advertisement and sale of scrap wire and metal, in accordance with City Code, as is necessary during 2001, and require report of all such sales within thirty days of their completion.

FUNDING: None required. (Total revenue generated during 2000 from the sale of scrap wire and metal was \$11,632.38).

Vicky McAthie, Finance Director
